Re: *Edmondson, et al. v. Raniere, et al.*, 1:20-CV-00485-EK-CLP

Dear Judge Komitee:

I am writing in response to Mr. Glazers letter (Dkt. 136 & 140) requesting for an order of protection for anonymous plaintiffs.

I echo Ms. Clyne's request "to reveal the names of the 59 individuals who, in his letter (Dkt. 136), he claims are prepared to use their full names", in addition to the dozen left unnamed. It is important to know who is suing me, and if I'm interacting with someone who is doing so under guise. In addition, it is important to me that accusations in this country, especially those as serious as this, are made in good faith and full responsibility is taken by those choosing to make them.

I will of course, defer to your authority and respect any order you choose to put in place.

Respectfully,

/s/ Danielle Roberts
